Commitment Letter

The vision of TCTC has always been to reach out to the curious, call the casual, and encourage the committed. What this means is that every TCTC will challenge students to go further in their spiritual journey. We do this through God-centered worship, drama, workshops, and speakers. You will also see different things during the weekend...We have anything from comedians to dancers that minister to students on stage. We do this to show that God can use all talents and abilities to spread His Word. You will also see students on stage sharing the talents and abilities they've been given. These students typically come from the TCTC Competitions we hold each year.

Register ASAP for the lowest cost. Supper Early-Bird pricing ends Nov. 1st with the ticket cost being $60. Then Early-Bird pricing goes up to $70 until Dec. 6th.

There will be an additional cost for transportation, food, and lodging that will be determined once we have a better count on how many students we have going and how much we are able to raise; through donations and small fundraisers that we will be doing from now until December.

Commit to registering now for the November 1st deadline or December 6th deadline to lock in the lowest cost with a **$30 non-refundable deposit.**
